

## **SURVEYA GLOBAL PRIVACY POLICY**

*Effective as of February 23, 2021*

Our Privacy Policy aims to protect your information and ensure that our users retain their privacy whilst taking full advantage of our service offerings. This is achieved by following stringent procedures and policies that are in accordance with global standards and practice for customer information privacy and the protection of information.

This document explains Surveyya Global (the Company) policies for the collection, use and disclosure of personal information.

### **COLLECTION OF INFORMATION**

Surveyya Global will, from time to time, request your personal information. This can include information such as, your Email Address, ID Number, Contact Details, Gender etc.

Your personal information will be collected using different methods depending on the application / service you are using. This also includes information requested by our providers / partners.

With regard to credit card / debit card information your data will be processed and stored with our payment service providers who have their own privacy policies.

### **PROTECTING YOUR INFORMATION**

Surveyya Global makes use of and implements a host of security measures to ensure that your information is protected at all times. These measures are in line with the Protection of Private Information (POPI) Act (commencement date: 1<sup>st</sup> July 2021).

## EXTERNAL / THIRD PARTY LINKS

The Company will occasionally, and at our discretion, include or offer external products or services on / within our applications and solutions. These external parties, partners or providers have independent privacy policies. For this reason, we take no responsibility or liability for the content, activity or services of these linked sites. We will, however, aim to protect the integrity of our sites and applications and therefore welcome any feedback about any of these third-party or external sites / services.

## DISCLOSING INFORMATION TO THIRD PARTIES

Surveya Global does *not sell, trade, or otherwise transfer your information or data to third parties*. This does not include trusted third parties who agree to keep this information confidential and assist us in operating our applications, conducting our business or maintaining the high level of service we provide to you.

## SCOPE OF POLICY

Our Privacy Policy applies only to information that we collect through online methods and excludes information collected offline.

## CHANGES / AMENDMENTS

The Company will at times change this Privacy Policy and post the latest version of this Policy on our website:
